

Free Computer Plan Agreement for Businesses

Terms and Conditions

Marpole Computer Zone Inc. shall provide Member with a computer (including operating system software) and three years' service including any and all hardware and software problems, labor on any hardware upgrades and any and all technical support that the member may experience or require, excluding data loss and recovery.

The member agrees to comply with all terms and conditions provided in this contract in order to remain in good standing of their account with the Marpole Computer Zone.

Terms and conditions are non-negotiable and are as follows:

All new or upgraded hardware components must be installed at the Marpole Computer Zone.

Installations done by others will not be covered under the Marpole Computer Zone warranty and such installations may render the hardware warranty from the Marpole Computer Zone null and void.

The Marpole Computer Zone has no obligation to repair or replace any computer components other than those purchased and installed at the Marpole Computer Zone.

Member understands that any tampering with the computer issued by the Marpole Computer Zone renders any and all Marpole Computer Zone warranties null and void. All service is provided on location.

No other terms and conditions are expressed or implied other than those contained herein.

Free computers come with our 2 or 3 year service plan. Please contact us for more information on our available plans.
